ABOUT US

Jigsaw Construction is a well established company in the South of England, with over 30 year's experience in the building and construction sector. With a history of high value projects and bespoke construction solutions Jigsaw Construction is equipped to manage all elements of your project.

Directors Alfie Fry and Steve Blackburn have grown a team of talented professionals since the company's inception so that you can receive an end-to-end service, allowing you dedicated support at all stages of your project. You can expect expert perspectives and friendly advice from our approachable consultancy team.

We pride ourselves on delivering high quality construction and refurbishment services service that brings your vision to life. We ensure that nothing is overlooked, giving you peace of mind knowing that your project is in safe hands.

If you can dream it, Jigsaw can make it a reality.
